Dear Joshua:

I am pleased to inform you that by vote of the Fellows of The New York Institute for the Humanities you are invited to become a Fellow for the year 1979 - 1980.

As you know, the Institute attempts to create an intellectual community in New York City. To this end, I hope you will try to join us for Fellows lunches one day a week and to participate in the Fellows Seminar. At lunch we often have guests who talk about their own work; in the seminar Fellows present for discussion either their own work or other work bearing on their current research interests.

If you accept this invitation, I believe your tenure at the Institute will be rewarding for you and for us all. I look forward to hearing from you. ✓

Sincerely,

Loren Baritz
